

**PROGRAMME PROJECT
REPORT (PPR)**

**MASTER OF SOCIAL WORK
(MSW)**

**MATS Centre for Distance and Online Education
(MCDOE) MATS University, Raipur, Chhattisgarh**

▪ **Continuous Internal Assessment:**

1. Continuous Internal Assessment shall be of 30% marks of total marks allotted for the course.
2. The components for continuous internal assessment for each course shall be decided by the Board of Studies of concerned subject.
3. Continuous Internal assessment shall be carried forward in case of ATKT students, there shall not be any provision of conducting internal assessment tests for ATKT students at any circumstances.

▪ **Evaluation and Certification of MOOCS and Vocational Courses:**

The guidelines of the University/SWAYAM portal/UGC shall be followed for evaluation and certification of MOOCs, Vocational Courses, Field Projects/ Internship/ Apprenticeship/ Community engagement and service/ Honours with Research Project.

▪ **Letter Grades and Grades Point:**

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the student's performance in a given semester. The SGPA is based on the grades of the current term, while the Cumulative GPA (CGPA) is based on the grades in all courses taken after joining the programme of study.

The University may also mention marks obtained in each course and a weighted average of marks based on marks obtained in all the semesters taken together for the benefit of students.

Grading System

Letter Grade	Grade Points	Description	Range of Marks (%)
O	10	Outstanding	>90 to ≤100
A+	9	Excellent	>80 to ≤90
A	8	Very Good	>70 to ≤80
B+	7	Good	>60 to ≤70
B	6	Above Average	>50 to ≤60
C	5	Average	>40 to ≤50
P	4	Pass	=40
F	0	Fail	<40
Ab	0	Absent	Absent

■ Computation of SGPA and CGPA:

UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

- I The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA(S_i) = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

Where C_i is the number of credits of the i th course and G_i is the grade point scored by the learner in the i th course.

Example of Computation of SGPA

Semester	Course	Credit	LetterGrade	GradePoint	(CreditxGrade)
1	Course1	3	A	8	3 x8=24
1	Course1	4	B +	7	4 x7=28
1	Course1	3	B	6	3 x6=18
1	Course1	3	O	10	3 x10 = 30
1	Course1	3	C	5	3 x5=15
1	Course1	4	B	6	4 x6=24
		20			139
SGPA					139/20=6.95

- II. The Cumulative Grade Point Average (CGPA) is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$CGPA = \sum(C_i \times S_i) / \sum C_i$$

where S_i is the SGPA of the i th semester and C_i is the total number of credits in that semester.

Example of Computation of CGPA

Semester1	Semester2	Semester3	Semester4
Credit20 SGPA6.9	Credit20 SGPA7.8	Credit20 SGPA5.6	Credit20 SGPA6.0
CGPA=(20 x6.9 +20x7.8+20x5.6 +20x6.0)/80 = 6.6

The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

On completing all requirements for the award of the undergraduate certificate/ diploma/ degree, the CGPA shall be calculated, and this value shall be indicated on the certificate /diploma/degree. The 3-years (6 semester) and 4-years (8 semester) undergraduate degrees should also indicate the Division obtained as per following Table:

Distribution of Divisions

Division	Criterion
First division with distinction	The candidate has earned minimum number of credits for the award of the degree with CGPA of 7.5 or above
First division	The candidate has earned minimum number of credits required for the award of the degree with CGPA of 6.0 above but less than 7.5
Second division	The candidate has earned minimum number of credits required for the award of the degree with CGPA of 4.5 or above but less than 6.0
Third Division	The candidate has earned minimum number of credits required for the award of the degree with CGPA of 4.00 or above but less than 4.5

n version of CGPA into percentage shall be as followed to facilitate its application in other academic matters.

Equivalent Percentage = $CGPA \times 10$. The percentage shall be rounded off up to the second decimal point.

The candidate shall be awarded a certificate/diploma/degree when he/she successfully earns the minimum required credits for the certificate/diploma/degree.
